CAREER OBJECTIVE

A talented and driven Full Stack Developer skilled in Java Spring Boot and React.js. I have hands-on experience from a personal project where I developed a complete web application, focusing on secure data transfer and a seamless user interface. I'm eager to apply my theoretical knowledge and practical experience to deliver high-quality software solutions and contribute to a company's success.

EDUCATION

Government Polytechnic College Uthangarai
(Diploma in Computer Science Engineering(PERCENTAGE: 69%))

Krishnagiri DT, TN
Expected May 2021

University College Of Engineering Arni
Bachelor Of Engineering in Computer Science(CGPA: 7.2 / 10.0)

Tiruvannamalai DT, TN
Expected May 2025

TECHNICAL SKILLS

Programming Languages: JAVA(Strong) with OOPs Concept.

Web Development: HTML, CSS, JS.

FrameWorks: (Java) Spring boot.
